

PRESS REPORT

Ostrava, 21 July 2009

XIV. International Fire Brigade Competition

XVII. International Young Firefighters Meeting

Third day passed...

Youth, volunteer and professional firefighters spent this day by pre-planned trainings. Those, who did not take part in trainings could take advantage of the accompanying events. Exhibition of nations, where the youngest firefighters performed their skills, took place in CEZ Arena.

Preparatories introduce themselves in Poruba

One of the accompanying event of the International Fire Brigade Competition in Ostrava, today 21 July introduced the youngest firefighters of the nursery age. Without a doubt, Poruba Main Street has never experienced such an event.

Mayor of SH CMS Ing. Karel Richter came to meet the seven teams which revenged upon him and large audience by fancy program. For example, Soptici from Domazlice demonstrated CTIF relay, children from Svojetice prepared performance The house is burning, the rescue of the injured person was performed by small firefighters from Brehy u Prelouce and tiny tots from Rokytno feigned fire brigade intervention. Certici from Kunstat choosed to show the story of a naughty school-boy and Sardici from Nosovice illustrated a fire fighting attack. Excercising with children and music was prepared by one of the most experienced chief of preparatory Sarka Cernakova from kinder garden Materidouska in Frydek-Mistek.

Fire fighting attack extraleague

The fire fighting attack was presented by volunteer male and female firefighters from Czech Republic on the grass side training field of Vitkovice stadium. Extraleague in fire fighting attack was a part of the accompanying events of the Fire Brigade Competition, nevertheless the struggle for the top positions was held with maximum effort. After first attempts referees evaluated top ten teams which got the second chance to perform their best. The first position gained team SDH Plumov (16,76), the second position was placed by SDH Nevcehle (16,79) and on the third place belongs to SDH Vrbetice (17,08). The exhibition of male firefighters was followed by female part, and the fact that they are not affraid of the attack was proved by the final times of the top three teams: 1. SDH Nevcehle (16,40), 2. SDH Chrastany (17,50), 3. SDH Lhotka (17,59).

History and news in fire-fighting technical equipment

The exhibition of modern and historical fire-fighting technical equipment may be visited by professional and secular public from Wednesday 22. 7. 2009 10am to Saturday 25. 7 2009. About 30 pieces of fire-fighting equipment and more than 20 companies manufacturing technical or other products used in fire fighting are going to be seen in the area in front of CEZ Arena.
