

Dear colleagues,

The CTIF Fire Investigation Group's goals are to further cooperation between fire investigation experts, to share and exchange results of fire investigation at an international level and to achieve benefits for professional services and experts.

As a member of CTIF Fire Investigation Working Group and on behalf of the fire service of the Netherlands, we would like to invite you to an upcoming meeting of CTIF fire Investigation Group in the Netherlands.

In the past meetings of our working group have taken place in Hungary and the Czech Republic. This year you are invited as representative of your country to the Netherlands, on the 21st, 22nd and the 23rd of May 2019.

Each of the Member States (or NPFA organization) can be represented by 2 persons due to limited facilities which will take place at the training centre Troned in Enschede and the Fire Academy in Arnhem.

Hotel accommodation will be arranged, but is for the participants own expense. Transport from the hotel to the facilities and all meals will all be arranged and catered for. Transfer from and to Schiphol airport to the hotel on the 21st and the 23rd of May will not be arranged.

To share as much information as possible, we will send you a questionnaire after signing up. Besides, we would like you to present a pitch during the meeting. Information of how to make and prepare a pitch will be provided.

To participate please sign up before the **1st of February 2019**.

To sign up, send an email to kennisevents@ifv.nl with the following information:

Country, organisation, function, name(s), gender(s), billing address, E-mail address, and diet wishes.

Yours sincerely,

Brigadier Dr. LÁSZLÓ BÉRCZI
