Rescue and Fire Fighting on Airports

Did you know

- CTIF has 36 member countries
- CTIF has nearly 50 associate member organization within firefighting and rescue
- CTIF was founded in Paris in 1900

About CTIF

Our mission in CTIF is to encourage and promote co-operation among fire fighters and other experts working within the field of fire and rescue throughout the world.

CTIF contribute to safety by

- Organizing international conferences
- Organizing competitions for more than 3.000 fire fighters and youth fire brigades from around the world
- Developing comprehensive world fire statistics and publishing annual reports with data on fire issues from 80 different countries and 90 capital cities

CTIF has 10 thematic commissions and four working groups through which experts are able to network, develop expertise and communicate best practices in each topic.

The organization is run by President Mr. Tore Eriksson (Sweden), General Secretary Mr. Michel Bour (France) and Treasurer Mr. Laurent Wehrli (Switzerland).

Fire and Rescue on Airports Commission

The Commission provides members with the best networks for international regulation, development of rescue equipment and other innovations in the field.

We also work in cooperation with the International Civil Aviation Organization ICAO and the European Civil Aviation Conference ECAC

The CTIF Airports Commission

- Encourages and facilitates the sharing of best practices in aviation firefighting
- Recognizes and participates in research, development and new technologies
- Promotes the sharing of the best practices in training, equipment and vehicles
- Ensures and improves the safety of passengers, crew and staff

Join us today and benefit from a worldwide network

The Commission has 13 member countries:

- Austria
- Canada
- Czech Republic
- Denmark
- Finland
- France
- Germany
- Hungary
- Luxembourg
- Norway
- Sweden
- Switzerland
- Great Britain
